Driftwood Players

Sherlock Holmes and the Case of the Jersey Lily

The wit of Oscar Wilde meets the cunning of Sir Arthur Conan Doyle when Wilde brings his dear friend, Lillie Langtry, to Baker Street. Someone has stolen the highly intimate letters Lillie exchanged with the Prince of Wales, and now she is being blackmailed. Only Holmes can solve the case, going so far as to disguise himself as an early version of Lady Bracknell from Wilde's latest play, *The Importance of Being Forthright*, while Watson falls head-over-heels for the Jersey Lily and a wicked professor attempts to bring the Crown to its knees. Directed by Martin J. MacKenzie

Financial Seminars

Renton, Federal Way, Kent Libraries

Medicare and Planning for Long-Term Care

This educational course will teach you everything that you need to know about Medicare and how to determine the best options for your current situation. This course will remove all the confusion about the different parts of Medicare, what it does and does not cover, and clearly explain the upcoming changes to Medicare and how they will affect you. Whether you are currently on Medicare or about to begin your benefits, this course will provide you with valuable information you need to know. In addition, most people over age 65 will need some type of long-term care, with a significant number of people needing care in a nursing home. In this multitopic course, you learn what long term care is and where it's provided, as well as strategies to pay for long-term care.

Classroom instruction will be by Michael Sondheim, president of the AFEA Puget Sound, Washington Chapter, who has 30 years of experience in the financial services industry.

Generational Wealth:

Avoiding the 3 Reasons Families Fail to Transfer Generational Wealth

In 1776, Scottish economist and philosopher Adam Smith penned one of the most influential books on economics and wealth, *The Wealth of Nations*. In his magnum opus, Adam Smith found it necessary to lament on the failure of families to successfully preserve generational wealth . . . ***“Riches in spite of the most violent regulations to prevent their dissipation, very seldom remain long in the same family.”***

Michael Miller from Capital Planning, will explore some of the root causes for the systemic failure that threatens generational wealth and what separates successful families from those that fail to preserve their family wealth.

You will be provided with an elegant framework that can be adopted and customized for your own family as well as valuable tips on how to apply some of the secrets to generational wealth preservation.
