Financial Seminars

Generational Wealth

Avoiding the Three Reasons Families Fail to Transfer Generational Wealth

In 1776, Scottish economist and philosopher Adam Smith penned one of the most influential books on economics and wealth, *The Wealth of Nations*, in which he laments the failure of families to successfully preserve generational wealth.

In this seminar, Michael Miller, of Capital Planning, will explore root causes for the systemic failure that threatens generational wealth and what separates successful families from those that fail to preserve their wealth. You will be provided with a framework to customize for your own family, as well as valuable tips on generational wealth preservation.

Note: Lunch is provided. El Gaucho offers validated garage parking. *Capital Planning, LLC*, is an SEC-registered investment adviser. The seminar content is not sponsored or endorsed by The Boeing Company and is intended for educational purposes.
