

Habitat Celebrates 17 Years of Women Building for Women – BLN & BLN-R Invited

BLN & BLN-R members are invited to join the 2025 Women's Build with Habitat for Humanity!

This year's **Women Build** program once again provides BLN/BLN-R members a rewarding team building opportunity to construct affordable homes and revitalize Seattle-area neighborhoods. From **April 27 to May 18**, area women will be empowered to help move Habitat's mission forward by doing everything from working in Habitat stores to joining construction and repair teams on site.

The purpose of Women Build is to honor the central role that women play to empower one another, make an impact, and change lives. The bonus for participants is to learn and share skills, support local women homeowners, and to build up King County, together.

In the program's 17 years, women from all walks of life have given back to their communities and enriched their own lives while making a real difference in the lives of our region's hard-working, low-income families. Women Build volunteers are empowered to help ensure affordable housing continues to be built. This program gives women the satisfaction that comes with giving hands-up help to other women and their families.

April 27 – May 18, 2024

- Women of Impact Build: May 4
- Group Builds: April 29 – May 11
- Individual Builds: May 13-18

(Individual volunteers will be asked to donate \$150 to take part in a Women Build day)

Contact BLN-R representative Tom Dodt at buckeyetom81@gmail.com for information. Alternatively, sign up individually or for your organization, go to [Habitat Women Build](#).
