

Museum of Flight
***American Institute of Aeronautics and
Astronautics Retiree Meeting***

Don't miss what will be a different and fascinating discussion with Brian Yutko at the Museum of Flight

Date: Saturday, March 21, 2026
Time (in-person): 8:00 (doors open) 8:45 (brunch)-11:00 AM
Time (on-line): 8:45 (Zoom opens, introductions start about 9:00)-11:00 AM
Cost: Pay for brunch or free on Zoom
Event Sponsor: Dave Anderson, American Institute of Aeronautics and Astronautics

Boeing-owned Wisk program CEO Brian Yutko is joining us to talk about “Bringing Wisk learning into Boeing” now that he switched to Boeing Commercial Airplane Product Development. Brian grew up in coal-mining Pennsylvania where he learned to weld, flew Cessnas, went on a motorcycle sojourn to places like Morocco and Peru, raced up Pike’s Peak, and graduated from Penn State and MIT with a thesis on airline fuel efficiency. Before Wisk, he worked on projects like the D8 “double-bubble” configuration at Aurora Flight Sciences. Besides being already pretty busy, Brian also has a son and now a daughter!

Registration is required to attend either via Zoom or with brunch at the Museum of Flight. If you plan to attend at the Museum of Flight, please complete the required registration form by clicking on [this link](#) no later than March 13th, 2026, to accommodate our planning efforts.

Cheers and looking forward to seeing everyone!

Dave Anderson
