Museum of Flight
American Institute of Aeronautics and Astronautics
Retiree Meeting

Join us in March for our regular AIAA Retiree's hybrid on-line/in-person meeting at the Museum of Flight. At that meeting, Boeing's first female PD Chief Mechanic Jennifer Radtke (a graduate from Embry Riddle, MIT, and Michigan) will talk to us about what a Chief Mechanic does. Her experience as a mechanic for multiple major airlines (and a volunteer B-17 mechanic) allows her to help Boeing designers prioritize mechanics' safety, work environment, and work load.

Registration is required - [Please click on this link to register](#). Join us in-person at the Museum of Flight, or connect from a computer that has the Zoom software installed so you can see and hear the presentation. If your computer has a camera (so we can see you), and a microphone (so we can hear you) that would be best. Connecting sound via phone is also an option if that works better for you than using a computer microphone and speakers. [If you need help registering, please contact KarlR@SeaAIAAretirees.com](#)

Date: Saturday, March 18, 2023
Time (in-person): 8:00 (doors open) 8:45 (brunch)-11:00 AM
Time (on-line): 8:45 (Zoom opens, introductions start about 9:00)-11:00 AM
Cost: Pay for brunch or free on Zoom
Event Sponsor: Dave Anderson, American Institute of Aeronautics and Astronautics
