Let's have some fun! For over twenty years, Karl, Dave, and John have provided us with a meeting every other month, choice of a fabulous McCormick and Schmidt brunch or high quality zoom connection, and kept us connected and informed on a huge variety of aeronautical and engineering topics.

Now, you may ask...who are these three people...Karl Rein-Weston, Dave Anderson, and John Moore? What do we know about them? Well, on March 15, 2025, you will find out. They will take the stage for a panel interview by Peter Morton (that's me). We'll get to know each of them, their personal and professional backgrounds, and the history of how the AIAA retirees bi-monthly brunch meetings started. Prepare to learn about our wonderful hosts as we celebrate twenty years of information sharing, career memories, and the fellowship we have enjoyed over these twenty+ years!

Registration is required to attend either via Zoom or with brunch at the Museum of Flight. If you plan to attend at the Museum of Flight, please try to complete the required registration form by clicking on [this link](#) no later than March 7th, 2025, to accommodate our planning efforts.

Cheers and looking forward to seeing everyone!
