Doug Ackerman, Boeing VP of Quality, will share Boeing's current Safety and Quality Plan

Date: Saturday, September 19, 2026
Time (in-person): 8:00 (doors open) 8:45 (brunch)-11:00 AM
Time (on-line): 8:45 (Zoom opens, introductions start about 9:00)-11:00 AM
Cost: Pay for brunch or free on Zoom
Event Sponsor: Dave Anderson, American Institute of Aeronautics and Astronautics

Join us to hear Boeing VP of Quality Doug Ackerman share the Safety and Quality Plan that Boeing has put in place after Alaska Airlines 1282 in 2024. Hear the history on how the plan came together, the major changes implemented so far and what they're still working on. Doug was previously the Director of Engineering for Boeing's Supply Chain, and later VP of Supplier Quality. He spent his early days at Boeing working on Interior Engineering on multiple models and in Product Development. Ackerman holds a Bachelor of Science and Master of Science degrees in mechanical engineering from the University of Washington and has completed the Stanford Executive Program.

Registration is required to attend either via Zoom or with brunch at the Museum of Flight. If you plan to attend at the Museum of Flight, please complete the required registration form by clicking on [this link](#) no later than September 11th, 2026, to accommodate our planning efforts.

Cheers and looking forward to seeing everyone!
