***American Institute of Aeronautics and Astronautics
Retiree Meeting***

Join us at our bi-monthly AIAA Retiree's meeting, normally held at Seattle's Museum of Flight but temporarily held via Zoom online until Museum of Flight meetings can again be held in person. This meeting allows us to reconnect with aviation retirees and hear about some interesting aviation topics. Our January speaker will be Boeing Retiree John Hope, who will talk about Boeing Flight Crew Training Simulators.

Registration is required. Connecting from a computer that has the Zoom software installed would be useful so you can see and hear the presentation. If your computer has a camera (so we can see you), and a microphone (so we can hear you) that would be best. Connecting sound via phone is also an option if that works better for you than using a computer microphone and speakers.
