

January 2026 BEWBC/BLNR Social Event in Woodinville

**Quiddity
Winery**

**William Grassie
Winery**

Please join us for the first wine appreciation social event of the new year with Winemakers Bill Grassie and Greg Peiker at Quiddity Wines in Woodinville. Hosted by BEWBC and BLN-R.

This social will be a unique presentation featuring two very different winemaking styles in one social tasting event. Quiddity wines are primarily elegant Rhône varietals while Grassie features primarily robust barrel aged Bordeaux varietals unique to Washington State. These wines are all beautifully crafted to tantalize the novice wine taster to the most sophisticated palates.

This is an excellent opportunity to meet and network with people interested in supporting BLNR programs as well as a chance to talk to winemakers, have fun, and taste award winning wines from two of Washington's premier wineries!!!! It is also a very good opportunity to pick up some excellent wines to re-stock your cellar.

Cost of the event will include wine tasting and charcuterie snacks.

So come enjoy old and new friends and learn more about great wines and winemaking!
