Hello! After 30 years of service, I am currently a retired employee from Boeing Commercial Aviation Services Division. My most recent assignment at Boeing was technical integration for new and derivative airplanes. During 8 years of my time with Boeing, I was a First-Line Manager of Scheduled Maintenance Program Development. Before Boeing, I worked 12 years for the Pratt & Whitney engine company as a performance engineer

Since 2006 to 2018, I was also an adjunct instructor in the Seattle Region Worldwide Campus of Embry Riddle Aeronautical University.

I enjoy playing guitar and playing golf. I also enjoy photography.

Education:

B.S. Aerospace Engineering, Polytechnic University of New York

M.B.A., University of Phoenix

Project Management Professional (PMP), Project Management Institute
