

## BLN-R Build Day in Lake City

Wednesday, 5/26 will be BLN-R Build Day at Habitat's Lake City construction site. Volunteers typically work a full day (generally 8:45 am to 4 pm) and can select from a variety of activities available on that date. Sometimes the tasks are nailing, sometimes painting, sometimes installing insulation. It all depends on where the project is on that day. No previous experience is required. Bring a lunch and trained staff will show you what to do. For more information [click here for info](#). If interested in the Build please email Tom Dodt [email Tom Dodt](#)
