# Membership Criteria Discussion – Responses to March Board Questions (Slide 1)

- Active BLN members who are not BLNR members but in an active role supporting BLNR events:
  - ◆ Suggest we add the following to paragraph 2 of our process for reviewing and accepting new members:
  - ◆ Additionally, the BLNR Board will accept into BLNR membership active BLN members who are active in roles creating, promoting, and supporting BLNR sponsored events.
  
- Accepting individuals who are no longer employed via layoff but were in a Boeing leadership role and/or part of BLN while employed.
  - ◆ I believe “part of BLN while employed” is already covered in Article 5.1 paragraph c of the BLN Articles of Incorporation
  - ◆ Technically, “but where in a Boeing leadership role” probably would require a revision to Article 5.1 paragraph c.
  - ◆ However, due to our limits to verify past BLN membership, this could just be considered part of our discretion in our review process.

# Membership Criteria Discussion – Responses to March Board Questions (Slide 2)

- Pending retirements/layoffs:
  - ◆ Suggest we add the following to the second paragraph of our membership review and acceptance process:
  - ◆ Membership applications will be accepted up to 6 months prior to the applicant’s planned retirement date.
  - ◆ Or, “6 months” can be modified to whatever window of time the BLNR Board is comfortable with.
  - ◆ If the application is outside of this time window, an email will be sent to the applicant by the BLNR Membership and Communication Board Member asking them to reapply by a date within the window that the Membership and Communication Board member identifies.
