Habitat for Humanity

Tom Dodt's (/dōt/) October, 2021 Note

Habitat continues to build during the fall. If you would like to volunteer for construction please visit this link or contact Tom Dodt at buckeyetom81@gmail.com. If you would like to volunteer in a different way the above link provides volunteer opportunities in the Habitat office, stores and family selection committee.

Habitat will also start work on a brand new site in the north Seattle area in the near future. It is in the Loyal Heights neighborhood (west of Green Lake). This creates a convenient drive opportunity for those of you located “in the middle” or the north end. Check it out! The land was donated by the City of Seattle as part of Mayor Durkan’s Housing Seattle Now Initiative. Through Habitat’s homeownership model, seven homes will be constructed for low-income families under 80% of the Area Median Income. These homes will meet green building criteria for sustainability and be designed and constructed to ensure healthy, low-cost maintenance homes.
