

## April 2022 BLNR Mentoring News

### Mentoring for New and Existing Boeing Leaders

There are 10-15 participants at each session which are videotaped and posted on the BLN InSite page for other active members to enjoy and learn from on their own time. If you are a passionate leader who would like to mentor our colleagues – this is a great activity in which to participate! Contact Christina Zier ([christina.b.zier@boeing.com](mailto:christina.b.zier@boeing.com)) or Geary Long ([geary.long@gmail.com](mailto:geary.long@gmail.com)).

These sessions are conducted via Webex, coordinated and hosted by our Boeing Leadership Network counterpart Christina Zier, with the objective of sharing leadership experiences. We are seeking 2 to 3 retirees per session to share their experiences on the topic of focus. The topics will change each session for a couple of months and then will repeat for those previously unable to attend. Audio recording of these sessions will also take place.

There are two different target audiences each month:

- The first is a *New Manager 101* session that takes place on the third Friday of the month. The objective is for a BLN-R member to share their leadership experiences and best practices with folks that are new to management. There will also be time for an open Q&A as well.
- The second is a *Manager Mentorship* series that takes place every fourth Tuesday of the month. The objective is to discuss selected topics (e.g. Challenging Employees, Motivation, Development, Evaluation) with a group of Boeing Leaders. There will be time for an open Q&A as well.

Upcoming topics are:

April 26<sup>th</sup> – How do you measure success

May 20<sup>th</sup> – What traits make a good leader?

May 31<sup>st</sup> – What are some hard choices that you made to get where you are in your career

June 17<sup>th</sup> – What challenges did you face in being part of a team

June 28<sup>th</sup> – Importance of leadership and teamwork as it relates to success

All sessions are held at 12:00 PM Pacific time.

If you are interested in volunteering for one of these hour long sessions (via Webex), or would like to learn more about this activity, please contact Christina Zier ( [christina.b.zier@boeing.com](mailto:christina.b.zier@boeing.com) ) or Geary Long ( [geary.long@gmail.com](mailto:geary.long@gmail.com) ).
