

## **One-on-One Mentoring**

For those who are willing to give a bit of time to an individual who is seeking one-on-one mentoring – there are three individuals who are seeking your experience. This can be accomplished in a virtual setting, so regardless of your location, this could be a wonderful way to mentor a colleague.

- Mentor sought with Earned Valued Management System (EVMS) experience. A mentor with experience working on government contracts, familiar with EVMS and Supplier Management, is being sought. The mentor will be working virtually with a mentee who is seeking this knowledge and experience.
- Mentor sought with Team Building experience. A mentor with experience building a team from the ground up or with entrepreneurial experience outside of Boeing. Prefer a female, minority, with a business-oriented background.
- Mentor sought with Engineering or Program Leadership experience.

## **Washington Future Business Leaders of America**

We hope you can join us as a volunteer judge at the upcoming Washington FBLA State Business Leadership Conference! Your time and service will make a big impact on our students!

FBLA is an organization aiming to educate and network next generation entrepreneurs and business leaders in Washington State. We focus on bridging the gap between business and

education through innovative leadership and career development opportunities. Judging competitive events requires as little as a half-day time commitment, and you'll be assisting high school students as they work toward successful careers.

Judging has never been more simple or more rewarding, you can judge from the convenience of your own home or office. There are pre-recorded events you can judge at your convenience or you can sign up for one of four "live" judging shifts that will take place on zoom. Choose which combo of volunteering works best for you, and know

you'll be choosing to be a DIFFERENCE MAKER for the students of Washington FBLA!  
Sign up today:

- Virtual event judging pre-recorded presentations at your convenience between, April 7-12, 2021.
- Thursday, April 22, 2021, 8 a.m. to 12 p.m. Live in Zoom
