DECA is a business and marketing co-curricular club that teaches students to be the entrepreneurs and business leaders of tomorrow. We need judges at our Area 2 competition at the Lynnwood Convention center on Thursday January 11, 2024 from about 7:15am to 1pm. Students compete in on the spot case studies about Marketing, Business, Hospitality, Entrepreneurship, and Finance. Using your knowledge and expertise you provide them with valuable feedback!

Please use the link or QR code above to register- we need over 100 volunteers. Email mlcarter@seattleschools.org with any questions.

Area 2 includes students from Seattle, Shoreline, Edmonds, Lynnwood, and Everett.
