

Capitol Hill –Seattle

Annual Repair Goals

Our repair team works with homeowners in southeast Seattle, Federal Way, White Center and Renton to maintain their homes and alleviate health and safety issues. **Each year, we will serve 58 families through three repair programs.**

Critical Home Repairs

Robust projects to fix home and ensure livability & safety

33 households per year

Aging in Place

Projects to support seniors in maintaining an independent lifestyle

10 households per year

Home Preservation

Short (1-2 day), low-cost, preventative projects

15 households per year

Habitat Strengthens

Cost of Home campaign

1 in 7 households in Washington spend half or more of their income on housing.

Over the next five years, Habitat is committed to mobilizing our partners, volunteers, and community members across the country to find the housing solutions and help create the policies that will allow 10 million individuals to meet their basic needs.

Follow Us/Post About Us

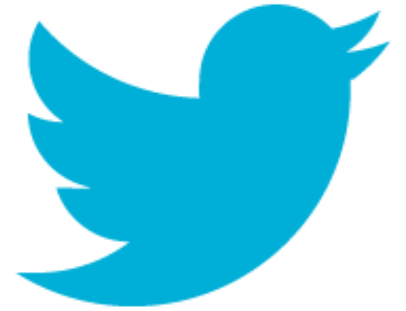

Meet our homeowners, volunteers and staff: Keep up with the inspirational stories found on our [blog](#) and Social Media. **Share #WhyIHabitat with others!** During this time of greater isolation, your voice is more important and louder than ever. As many of us are now connecting exclusively online, we would love for you to share why Habitat matters to you, using the hashtag **#WhyIHabitat** and tagging **@habitatskc** on most social media platforms.

Be an Advocate! Make #CostofHome affordable for all! Together with Habitat for Humanity affiliates across the country, [we are mobilizing volunteers and community members](#) to help us push for policies that will give more people more access to affordable housing. And we need your help.
