## How to Create Personal Face Masks with Tips

Learn how to make your own personal face mask! Worried about having a comfortable face covering when going out in the community or when coming back to work? If you have a sewing machine, you can learn to make your own face mask. I will share some tips and tricks and demonstrate how to create your personal mask. You can choose to watch and take notes or sew along!

Supplies required: sewing machine, typical sewing supplies (scissors, ruler, pins or clips, marking pen) cotton fabric.
