or contact Jenny Kaminski at: jenny.r.kaminski@boeing.com

While not certain, the risk of future inflation is real. In fact, we are seeing some of the impacts of inflation today. On the webinar, we will address the effect of inflation on your investments, how to reduce the impact, consider the benefits and risks associated with making these changes, and discuss implications to your retirement planning.

YOUR BLN Host is Robert Reichle mailto:robert_r_r52@yahoo.com

INSTRUCTOR: Carolyn Horadan- Chief Financial Officer of South Cove Financial LLC

Carolyn Horadan – is a private wealth manager. Over her career she has managed over \$4 Billion in private wealth and \$40 Billion in institutional wealth. She has served as a consultant on 401k plans and managed assets on pension plans for several Fortune 100 companies. Carolyn is Founder and Chief Investment Officer for South Cove Financial, LLC and offers private wealth management services to individuals and their families in the greater Seattle area. Carolyn believes in the importance of financial literacy and gives a portion of her time towards educating and helping the community with private wealth management decisions.
