

February 8th Topic: 6 Reasons Annuities Should Be Part of Your 2024 Retirement Plan

When setting up your financial retirement plan, you will likely consider various options for how you plan on covering the bills in your golden years. With soaring inflation and aggressive rate hikes from the Fed, annuities have become more popular recently, as those close to retirement try to figure out how to ensure they don't outlive their savings.

Are you earning 5.00% from your safe retirement funds?
