

BLN Retirees -

I have an emergent need from Girl Scouts of Western Washington to support cookie distribution next **Saturday 2/22 and Sunday 2/23** in Redmond, Lakewood, and Kent. Shifts are available in the morning and afternoon – for full details on available shifts visit the [GSWW volunteer page](#).

Please let me know if you are interested and I will help you register through YourCause (for Boeing credit) and GSWW website.

Let me know if you have any questions.

Thanks,
