

Habitat for Humanity

Beyond the Build Luncheon May 27, 2026

The **2026 Beyond the Build Luncheon** on **Wednesday, May 27, 2026** will feature

Seattle Seahawks Head Coach and Super Bowl LX Champion, **Mike Macdonald**. Known for his leadership, vision, and ability to unite people around a shared goal, Coach Macdonald brings

a powerful perspective on teamwork, resilience, and community. These same values are at the heart of **Habitat for Humanity**'s mission to build strength, stability, and self-reliance through shelter.

This year's luncheon is especially meaningful as our affiliate celebrates its 40th anniversary. Together with supporters like you, we have helped create opportunities for families to realize brighter futures through affordable homeownership.

And if those two reasons weren't enough to attend, there's always my favorite part: Uplifting success stories from the homeowners experiences.

The luncheon will start at noon, finish at 1:30 with a pre-event at 11am. The event will take place in the Summit Building at the Seattle Convention Center. Parking is in the Summit Garage. The garage entrance is at [1009 Olive Way](#) (on Olive Way between 9th and Boren). If you have attended in the past you'll be familiar with these logistics.

Who is in?

To secure your seat all you need to do is reply to Tom Dodt (BLNR's Habitat for Humanity focal) - (buckeyetom81@gmail.com). He will register you at the event. (When replying please reply only to Tom so we don't cause unnecessary email traffic.)
