Habitat for Humanity Tom Dodd

- Habitat Seattle/King County needs your help this winter to continue building safe, stable, affordable homes!
- Our construction and repair/resale sites operate year-round and the winter can be the toughest season for volunteers and homeowners.
- We are calling on you to keep our projects on track during this cold and wet time of year – it's a great time to be freezin' for a reason!
- Starting January 2022 through March 2022 there's multiple ways you can get involved, earn rewards, and become a **Habitat SKC Winter Warrior**.
