John Cornish will again serve as Master of Ceremony for the luncheon this year with Committee Support provided by Rich Hansen, chair, Terry Underwood, vice chair, Bob Reedal, treasurer, Jim Linden secretary and Pat Wilson.

This lunch is an opportunity to reunite with former colleagues and friends, and to learn about the new and exciting current or evolving programs at the Boeing Company. This lunch is usually scheduled for the first Friday of June and a start time of 10:30AM. This allows time to socialize and visit with former and current colleagues, enjoy lunch, share a keynote briefing, short business meeting, followed with more visiting.

If you know a recent retiree or friend that is still working and might like to attend, please contact Pat Wilson, Rich Hansen, Terry Underwood, Jim Linden or Bob Reedal of their name and contact information so they can be added to the roster and receive future invitations to this luncheon gathering.

Our ranks are thinning, and replacements are needed to keep this fine old annual tradition going. New names with emails and/or addresses are desired. Also, recent life changes require us to ask for help on the committee that puts this program together. Anyone willing to spend a little time should let the current committee members know. Thanks.

Thank you for your support and we look forward to seeing you at the luncheon.

Please fill out the Reservation Slip below. **Mail your check payable to I. E. Old Timers (\$25 per person) to Bob Reedal at 14412 162nd Avenue SE, Renton WA 98059 or to Jim Linden at 21107 107th Avenue SE, Snohomish WA 98296 by May 20, 2018.** We need to turn in the number of reservations and commit to the financial responsibility for the lunch. There will be a no-host bar in the banquet room with drinks reasonably priced.

If you are using a Boeing email address, please give us your personal email address. That way, if you leave Boeing, we can still contact you.

The Committee believes that if we could find a more central location for our meeting, we could attract a few more retirees. If you have a location - say the Bellevue/Redmond/Renton/Edmonds area that can accommodate at least 120 people, please let us know and we will try to make a change by our 2019 meeting.

From: Rich Hansen (rmkhansen@aol.com); Bob Reedal (reedal@msn.com); Jim Linden (lnjlinden@gmail.com); Terry Underwood (TKUNDER@msn.com) or Pat Wilson (patandkris@comcast.net).

Cut out and mail with check (\$25 each) the reservation slip
