

BLN BUSINESS MANAGER **JENNY KAMINSKI** REPLACES SHANNON RUSSELL (Retired)

As Business Manager of the Boeing Leadership Network, Jenny serves as an appointed member of the BLN Executive Board. In her role, she oversees the daily operations of the association, including guiding policy and processes; managing elections, budgets, and communications; training BLN officers and volunteer coordinators; and acting as primary board and member liaison.

Jenny has been with Boeing for 20 years and previously worked as the Staff Analyst in Product Strategy and Future Airplane Development for the Systems Team in BCA and before that, she was the Finance Focal and Staff Analyst serving Employee Worklife Services.

Jenny holds a Bachelor of Science degree from Central Washington University with a specialization in Production and Operations Strategy as well as a minor in Supply Chain Management. Outside of Boeing, Jenny is the CFO of the family business, serves as the Secretary/Treasurer of their local road association and is a state certified soccer referee and volunteer coach, and enjoys travel and exploring the mountains. She is also very involved in the National MS Society, Puget Sound Chapter as an Ambassador and Team Leader for local fundraising activities. She resides in East Wenatchee and Lake Stevens with her husband, Jason, and has two amazing adult children, Matthew and Dylan, and their dogs, Gunner and Sadie.
