

Groceries for Families (Jubilee Reach organization)

Breakfast Crews Needed

Each school day, 2 – 3 volunteers come to Jubilee at 6:30 am to cook breakfast for the 30 – 35 children in the Jubilee before school program. Many of these children are in GFF families, as there is a natural overlap of programs. The volunteers bring food, cook it, and serve it to the children before saying goodbye to them as they leave for school. Clean up is done by 8:00 am. We are in need of additional crews to join the calendar. Please consider leading a crew of family, friends, or colleagues to come help. Sign up here:
