# IKON Pass for Next Season

Hey SKIBACS skiers & snowboarders!

The club is excited to share with you that SKIBACS has partnered with the IKON pass for this upcoming season. There are two great outcomes with this partnership:

The first of which is a discount on your purchase/renewal of an IKON pass of up to \$80 off current pass pricing.

The second is that the club will be provided with free IKON passes (session, base and full) for the club to issue. The great news is that even if you have already purchased your IKON pass, or have a larger discount due to “Student, EMT, teacher, etc.”, you can still link your purchase to the club with this link: <https://www.skibacs.org/ikon-pass-registration/> which will help the club.

The process to either take advantage of the discount and/or to link your IKON purchase is as follows:

**Step1: From the SKIBACS [homepage](#) select the “Discount Details” blue button below the picture of the IKON pass:**
