Full 2021 Course Itinerary Online: <http://www.nationalgolftours.com/index.html>

Kicking off the new season, enclosed find your PSGA golf itinerary for 2021. Many private courses have experienced full memberships as golfers seek a permanent quality golf venue. Most of our events will continue with the tee time format to **enable plenty of social distancing as the COVID-19 period continues**. We are pleased that vaccines are now available to help curb this pandemic.

We will have 2 overnight/weekend events this season in Eastern WA & Olympia areas.

Dates and rates are listed below for all upcoming events. Golf times will be reserved for players who have pre-paid the necessary fees for each outing. As usual, you may register for all golf events at psgagolfer@gmail.com.
