

Pantages Theatre
The Peking Acrobats

The Peking Acrobats are a South Sound favorite! They perform daring maneuvers atop a precarious pagoda of chairs; are experts at trick-cycling, precision tumbling, somersaulting and gymnastics; and defy gravity with amazing displays of contortion, flexibility and control. Masters of agility and grace, they push the envelope of human possibility. Often accompanied by live musicians playing traditional Chinese instruments and high-tech special effects, this show delivers an exuberant performance, with all the excitement and festive pageantry of a Chinese Carnival!
