Retirement Strategy Alternative for Retirees and Pre-Retirees

Wednesday, July 8th, 4:00-4:40

There may be an alternative to your traditional investment accounts.

- Is the stock market too risky for you and your money?
- Do you want to retire with more monthly income than retirement accounts allow before you run out of funds?
- Do you want stability and growth with your income in retirement?
- Do you want more options with your retirement investments?
- Do you want to build generational wealth?
- Do you want to leave your family your remaining funds instead of losing them like you do with a pension?

Come listen to an option that may interest you.
