

Northwest

Volunteers needed at SeaTac USO Center

USO Northwest has openings for volunteers at the SEATAC airport lounge. The lounge provides comfort for military service members and their families, as they pass through SEATAC Airport. SEATAC Airport is a major connection hub for military personnel in route to the Pacific Rim. If you are interested or you would like more information, please contact USO SEATAC Center Manager Matt Sult at (253) 722-7082 or msult@uso.org.

The USO has valued the support of Boeing retirees for many decades.

- 4 hour sessions – once or twice a month
- Directly support servicemembers, their families and pets during their long layovers
- Free on-site parking
