

5/30/24 from 8:30am-3pm

5 South Nevada Street  
(Seattle, WA)

Come join us to build tiny homes for homeless transition camps. No prior building experience needed and if anything you'll learn a few things along the way! This also give you a chance to help the homeless situation in the NW.

Tiny Home Building with Sound Foundations NW

<https://www.soundfoundationsnw.org/>

Location: Seattle Georgetown/SODO area: 5. S. Nevada St.

- Absolutely no tools or building experience required... they teach you everything!
- Limited to 12 volunteers (must be over 16). Non-Boeing volunteers are allowed. Please register them as a guest!
- Event is during work hours, and may require time off from work unless you flex or have permission from your manager to use the time for community service.
