

Dorothy Jennings Speaker Series

Veterans Day Service Songs Sing-Along and Remembrance Day

Join us for a heartfelt Veterans Day sing-along and remembrance event. We'll honor our veterans with a touching tribute featuring the five service songs (Army, Navy, Air Force, Marines, and Coast Guard).

Everyone is invited to participate! Share your personal remembrances of loved ones who have served in the military during our open mic sessions. As we sing together, we'll also honor the sacrifices made by all veterans and their families.

Lyrics will be projected on screen, and we'll conclude with the patriotic anthem, "America the Beautiful."

Presented by David Fenner

About the Dorothy Jennings Speaker Series

Dorothy Jennings was an early and enthusiastic supporter of the Creative Retirement Institute, a lifelong learning program begun over 30 years ago and operated ever since by volunteers such as Dorothy, under the auspices of Edmonds College. Upon her passing, she made a significant bequest to CRI. Her gift provides the resources to establish this new, bi-annual speaker series.
