

Volunteer at Marra Farm P-Patch in South Seattle BLN/BLNR Event - Saturday June 13, 10 am – 2 pm

Marra Farm Address: 9026 4th Avenue South. Seattle

Features Youth Garden(s), Giving Garden(s)

About the event

Work at our Giving Garden at Marra Farms by building soil, preparing vegetable beds, planting vegetable starts and seeds, composting, watering, harvesting, washing produce, and distributing produce to the community food banks and other locations. Many of our volunteers start with limited or no gardening knowledge and learn as they go, so we welcome you with whatever level of gardening skills and knowledge you may bring. Families welcome!

What to bring – Please bring a water bottle, lunch/snacks for yourself and clothes for working outside in all weather (including a raincoat, warm socks, sturdy closed toe shoes, a sunhat, sunscreen, etc.).

To Volunteer
