The glittering lights that line the [Las Vegas Strip](#) are about to get even brighter when Enchant – the world's largest Christmas light maze and holiday market – comes to Resorts World Las Vegas this holiday season.

Enchant is held annually in cities across the U.S. and typically takes over large sports stadiums like Tropicana Field in St. Petersburg, Florida, and Nationals Park in Washington, D.C. Last year, Enchant transformed Las Vegas Ballpark into a winter wonderland of twinkling lights, Christmas trees and holiday music.

This year, Enchant is taking a gamble on a second Sin City location at [Resorts World Las Vegas](#) on the Las Vegas Strip.

ENCHANT

The event packs more than 4 million colorful Christmas lights into a 10-acre immersive, walk-through maze filled with twinkling trees, tunnels, animal sculptures and more. The surrounding Christmas village

offers ice skating, holiday shopping, live entertainment, sweets and treats and, of course, visits with Santa and Mrs. Claus.

Also new this year, the Hallmark Channel is teaming up with Enchant as the event's first national sponsor. With hundreds of holiday films under its belt, the Hallmark Channel is a natural fit for the event — making the world's largest holiday light experience even more magical. Guests can snuggle up in the "Hallmark Cozy Christmas" lounge, partake in a Hallmark Channel wine tasting and participate in themed photo opportunities.

[Resorts World](#) restaurants are joining the merriment with specialty cocktails and foods as well as an "Enchant on the Strip" [overnight hotel package](#). Guests who book the Enchant package will receive a 25% room discount, \$35 daily beverage credit and complimentary self-parking during their stay.

Enchant on the Strip runs from Nov. 19, 2022, through Jan. 1, 2023. Tickets go on sale Sept. 15, 2022.
