April Message: Executive Liaison Sharon Lucas

Spring is here! As we March into April, remember to take a look at our [website](#) for awesome events and new Boeing related topics. With that said, I'm excited to share there is a new Boeing 777 book, the first chapter authored by Alan Mulally available to the public wherever you purchase your reading materials. Check out "***Boeing 777: People Working Together***".

Also, remember we have some board positions that will be vacant on the horizon (see below), contact me if interested.

- **Executive Liaison/Board President**
- **Secretary**
- **Treasurer**
- **Mentoring Leader**

I would love to hear from you if you are interested in any of the above or in supporting our board in general. Thanks for your consideration and membership! Until next time, with warm regards,

Sharon (4sharonlu@gmail.com, 206-498-7307)
