**BLNR Executive Board Liaison, Sharon Lucas's August, 2023 Message:**

*Hello BLN Retirees - Whether you are looking to escape the sweltering heat or still remembering the delicious food from "The Bite of Seattle", or attended a sports game or perhaps you are still feeling the effects of the onslaught of Swifties (Taylor Swift mania) that converged upon Lumen Field a few weeks ago and simply found yourself getting immersed in the mania and eventually surrendering and embracing your inner "Swiftie". Regardless, I think you would agree, Summer is flying by. Take a look at some of our travel posts or wonderful upcoming events...remember we have something for everyone as you look for places to beat the heat! Are you interested in particular topics?
