August Message from BLN Retirees Executive Liaison Sharon Lucas:

Hello BLNR Members -

Happy August! Check out our wonderful BLNR sponsored event offerings on our [website](#). We have also included some incredible travel articles for your reading pleasure including travel links that highlight the best places to travel during the month of August and you can read about Southwest moving away from open seating. **Let us know how we are doing and if there's anything in particular you would like information on.** Until next time...Thanks for your continued support and membership!
