August 2026 Message: Executive Liaison Dave Hyem

I hope everyone is enjoying the summer so far. We received great feedback from the 110-year celebration at the Museum of Flight on July 15. The event included a special presentation for our retiree members highlighting the status and direction of the company. Several other locations are also holding 110-year celebrations. We continue to focus on programs that we hear are popular with our members. These include financial seminars, social events, and travel opportunities. We also want to support the communities where our members are engaged and have resources available to help with those efforts. Please continue to provide feedback on what you would like to see. Our goal is to make BLNR a robust and engaging community for everyone. Dave (davehyem@gmail.com)
