### ***An Invitation To Make an Impact with BLNR***

BLNR will have several Board positions opening at the end of 2026, and we're looking for retirees who are interested in staying connected, contributing, and helping shape what comes next. If you're curious to learn more, reach out to [Sharon](#) to be connected with a current Board member and attend a Board meeting. New Board members will begin before year-end to allow time for a smooth transition. If this sparks your interest—even just a little—we'd love for you to explore the opportunity, ask questions, and see if serving on the BLNR Board might be a good fit for you.

### ***January Message: Executive Liaison Sharon Lucas***

I'm excited about 2026, we have some exciting offerings on the horizon including more wine tasting overviews with local wineries, quarterly travel and tours presentations, various financial information topics for retirees and numerous community outreach opportunities throughout the Puget Sound areas. Be sure to check out our [website](#) regularly to stay informed. In addition, my second two-year term as the BLNR President will come to an end in June. It's been a pleasure leading this retiree community. If you are interested in getting more involved with the BLNR Board, I encourage you to reach out and send me an email indicating your interest. Until next time... Warm regards, Sharon ([\*\*4sharonlu@gmail.com\*\*](mailto:4sharonlu@gmail.com))
