July Message: New Executive Liaison Dave Hyem

I would like to begin by thanking Sharon Lucas, who has transitioned from her role as BLNR Executive Liaison after serving two terms. Her leadership has ensured that BLNR remains a thriving organization supporting all of us Boeing retirees. I will be stepping into this role on an interim basis through the end of the year, and Christi King will assume the position beginning in January. During this transition, we will continue to provide access to seminars, events, volunteer opportunities, and the many other services and resources our members value. I wish you a happy, healthy, and enjoyable summer. Thank you, Dave
