## **November Message from BLN Retirees Executive Liaison Sharon Lucas Hello BLNR Members -**

*As Thanksgiving approaches, we typically pause and reflect on everything we are grateful for. Personally I would like to take this opportunity to thank our wonderful BLNR Executive Board/BLNR Team and Event Coordinators for their dedication, participation and hard work in 2024! In addition, collectively we (BLNR Board) want you to know how much we appreciate your membership and continued support. THANK YOU! Be sure to check out our information links and upcoming events posted on our [website](#) Until Next Time...in gratitude,*
