## **September Message from BLN Retirees Executive Liaison Sharon Lucas**

Happy September! Happy Labor Day! Happy Back to School! As summer continues to fly right past us, I hope you have had a chance to participate in some of our wonderful events in 2024. If not, no worries, there's more on the horizon - please visit our [website](#) for details. First a few BLNR Leadership announcements: **Guy McCarney** will be leaving the Treasurer role he has performed for years and fully retire, with that said, **Dave Hyem** has graciously volunteered to step into the role handing over the Secretary role to **Seb Pierini** who has been a long-standing active member of BLN and BLNR. I am so blessed to have such an outstanding board and wish **Guy** all the best and appreciate his dedication and years of service on the board! I look forward to working with **Dave** and **Seb** in their new roles! **Last, thanks to all the members who participated in the Social Connections Survey!** Until next time...*Sharon, [4sharonlu@gmail.com](mailto:4sharonlu@gmail.com)*
