September 2025: BLN Retirees Executive Liaison Sharon Lucas

Welcome to September! Summer is over! As we flip our calendars from summer to fall, the next three months will be busy whether it's dressing up in a costume/handing out candy to trick or treaters; carving up a turkey, wrapping up the year with holiday songs and spending time with loved ones - there's something for everyone. Likewise, BLNR has something for everyone. Check out our [website](#) for details. Thanks for your membership! Until next time...[Sharon](#)
