I have been a BMA member since 1999. Before joining Boeing in 1980 I was a soldier in the US Army in Air Defense Artillery. My last position was a Business Process Analyst in Renton on the 737 programs. Previously worked in various positions in commercial Airplanes in Everett. After 35 years I decided to join the ranks of the retired. I have a passion for travel and this year-visited Hawaii, New York, and will be in Germany (Oktoberfest) and England in September.

I have two children Jeanette and Michael and live in Seattle. I look forward to planning fun events that BLN members will enjoy.
