Marty has been a BMA/BLN member since 1996, serving the board as Seattle Chapter Vice President (2000) and President (2002), later as Central Chapter Activities and Secretary. He has been the event coordinator for Night of the Slopes at Snoqualmie Summit, multiple wine tasting events and the Ocean Get Away in Moclips. Marty is currently on the board of BEWBC (Boeing Employees Wine and Beer Club) and was a past president. Marty loves making wine and really looks forward to introducing the BLN membership to the Boeing wine makers and their premium wines. His company work experience includes 38 years mostly at Seattle Developmental Center as a Production Engineer and Product Team Leader supporting F-22 Raptor, B-2 Bomber, Predator and JSF. Years ago, helped put 767 into production in Everett.

Marty, and his wife Pam, live in North Bend and look forward to instigating and attending many future social events with BLN.
