Hello everyone.

My name is DeeAngela Thomas. I am a mother of five, and grandmother of eight. I was blessed to work for the Boeing Company for over 31 years and 8 months prior to retiring in May 2016. Started working as a sheet metal mechanic then move to the quality organization where I grew into the position to retire as the Safety Compliance Quality Program Manager.

My travel for Boeing blessed me with the opportunity to work in Xiamen China (3/01 to 10/01) and Naples Italy (1/07 to 5/08).

While working for Boeing I was able to achieve my Associate, Business and Master's Degree. In addition to leading, some teams in several years of supporting "Spirit of the Holiday" community outreach activities.

My hobbies are watching sailing boats, touring the Puget Sound, walking, Bowling, Skating, Reading, and watching Football or Baseball games.

Since retiring a majority of my time has been spent with enjoying life, taking trips with my grandchildren.

I look forward to being a part of the Boeing Management Association Retirees.

DeeAngela
